EQUZA LIVING CO.

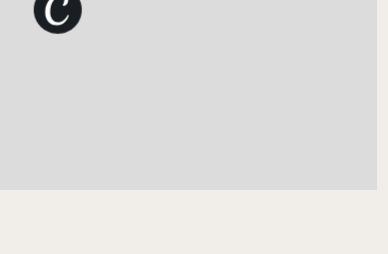

We didn't invent this art. We simply curated its finest expressions. At Equza Living Co., we partner with master

weavers from Bhadohi, Jaipur, and Kashmir — the soul-centres of Indian rug-making — to present a tightly curated catalogue of hand-knotted, flat-woven, and natural-fibre rugs. Our partners began with a single loom more than 50 years ago, now employ 10,000+ artisans, each one adding a human cadence to every strand.
